

# Sharewall®

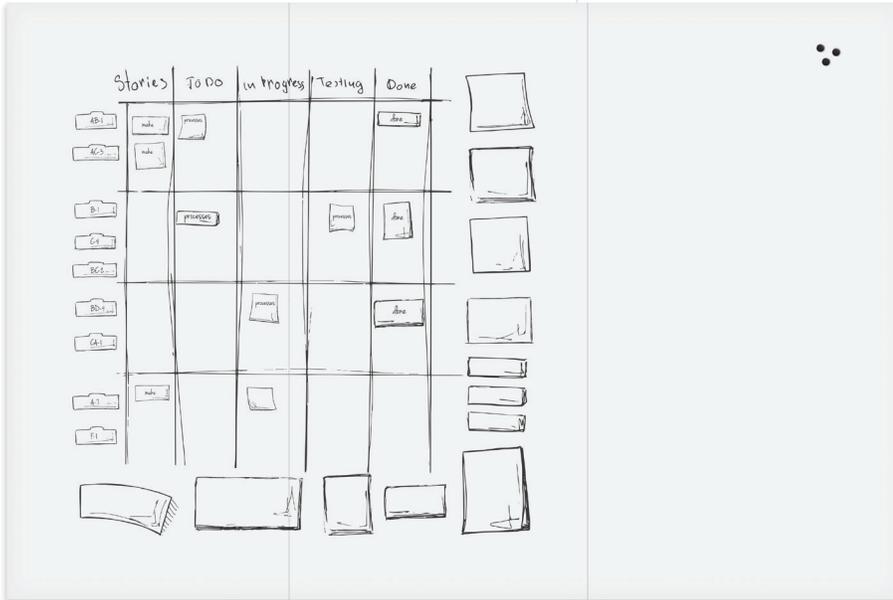

## YOUR FULL WALL WHITEBOARD SOLUTION

### WHY CHOOSE SHAREWALL?

With MooreCo's Sharewall full wall whiteboard systems, you have virtually endless options for mounting styles and configurations, from horizontal, vertical, railroad, framed and unframed, to suit your space.

Unlike paints and films, Sharewall is engineered from a magnetic PV porcelain coated steel for the ultimate in flexibility. It is mountable on pillars and curved walls, and on a variety of surfaces. Sharewall can be butted together for nearly invisible seams in any location.

Other markerboard surfaces can become stained with frequent use over a short period and can be difficult to clean, but Sharewall surface is durable and will erase cleanly, even after heavy use. Available in gloss white or matte gray for an enhanced projection clarity and minimized glare.

#### SHAREWALL®

#### LEADING PAINT-ON WRITING SURFACE

##### INSTALLATION

Quick	Works immediately after installation	Requires at least 11-step installation and professionals experienced in special painting applications. Consumes at least 2 hours for 20 sq. ft. and a 7-day waiting period for cure process
Safe	Flame-resistant, emits no VOCs or harmful fumes	Requires protection* Flammable* Produces inhaled carcinogens* Requires ventilation* Exposure limited to 15 minutes per day or requires the use of industrial breathing equipment*
Consistent	Highest quality result every time	Never the same result twice Only as smooth as the surface you paint

##### PERFORMANCE

Test-proven	Passes all standard performance tests for whiteboard writing surfaces	Fails whiteboard surface tests for hardness, abrasion resistance, scratch resistance, and durability
Durable	Virtually indestructible PV porcelain coated steel carries MooreCo's 50 year limited warranty	Limited warranty; damage, including scratches, are not covered
Maintenance	Easy to clean and never changes in appearance or performance	General usage and cleaning can require time-consuming repairs, multiple steps to repaint, and additional product purchases
Smoothness	Ultra smooth for superior writability and erasability; no "orange peel" or ghosting	Never as smooth as glass
